

ICAR–Indian Agricultural Research Institute, Jharkhand celebrated 77th Republic Day

ICAR-Indian Agricultural Research Institute, Jharkhand, celebrated the 77th Republic Day of India with patriotic zeal. Dr. Ch. Srinivasa Rao, Director, ICAR-IARI, Jharkhand hoisted the National Flag and addressed the gathering comprising scientists, officers, staff, and students. In his address, he reflected on the significance of Constitution and emphasized the role of ICAR-IARI Jharkhand should play in uplifting the agricultural scenario in Eastern India encompassing agricultural education, research, human resource development, and entrepreneurship leading to farmers' welfare and overall agricultural development of the region. The celebrations concluded with patriotic cultural programmes by students and prize distribution for sports events held in the Institute.
